MISC MISSION STATEMENT

The mission of the Master of Information Student Council (MISC) is to:

- ❖ **Represent and advocate** for Master of Information (MI) students within the iSchool at the Faculty of Information;
- ❖ **Liase** between the MI students and the Faculty of Information, as well as the University of Toronto;
- ❖ **Provide support** for enrolled MI students through professional, social, and academic committees of the MISC and the Faculty of Information;
- ❖ **Collaborate** with other student groups and members within the Faculty of Information;
- ❖ **Improve** the quality of the information community at the Faculty of Information for MI students, the university, and the broader information community.
